Hello Diane, and thank you for your correspondence. BC Yukon Area 79 has no copyright on our workbook. We simply wish to be helpful to the still suffering alcoholic in Remote Communities. We are thankful that our endeavors in putting together this workbook has been helpful not only for us here in British Columbia Canada, but also elsewhere throughout Alcoholics Anonymous, as many of our 93 Area's within the Canada/US Service structure has used this workbook as a role model for their own Remote Communities efforts.

We also have a PowerPoint presentation that I use for workshops and various area events, if you wish me to forward that as well just email me once again and I would be happy to do that for you. I mention this only as it is not available on our website as of yet.

Once again; feel free to use our workbook and anything else that is accessible on our Area website, if you have any other questions please feel free to ask.
