There was a discussion at the District Meeting just to remind members of Tradition 4 when members are deciding to open a new meeting within a close proximity and time of an existing meeting. Usually, but not always, this decision is made with great intentions, and may very well be supported well by members, but this doesn't change the fact that this

action can have a negative effect on an existing group so can therefore be seen as actually breaking Tradition 4. Food for thought....

TRADITION 4. THE LONG FORM

"With respect to its own affairs, each A.A. group should be responsible to no other authority than its own conscience. But when its plans concern the welfare of neighbouring groups also, those groups ought to be consulted. And no group, regional committee, or individual should ever take any action that might greatly affect A.A. as a whole without conferring with the trustees of the General Service Board. On such issues our common welfare is paramount."

TRADITION 4

Short Form:

"Each group should be autonomous except in matters affecting other groups or AA as a whole."

I AM RESPONSIBLE...

"When anyone, anywhere reaches out for help, I want the hand of AA always to be there. And for that I am responsible"
